

FOR IMMEDIATE RELEASE!

January 19, 2017

Grand River Mutual Telephone Corporation, d/b/a GRM Networks®, has been informed that some of our customers have been contacted via email that they need to click on a link to verify their account. Below is a copy of the email that customers have received. This is a phishing scam and the sender is trying to gain access to information that they are not entitled to have. Never respond to emails from unknown senders or to emails that ask for your personal information. If you have questions or concerns about your account, please call GRM Networks® Technical Support at 1-800-721-2577.

Subject: Account blocked if it has not been verified ...=20

Dear Valued Customer,

Please note that there is an ongoing system update, Due to the continued = violation of our email policy agreement by some users, we are conducting = a free security verification process to identify and close these fake = Email accounts in all NETINS Webmail. We update our firewall for 2017 to = improve your online security Verify your account now to confirm that you = are not a robot and continue to use your email securely by logging into = the new NETINS Webmail portal below.

ClickHere: <http://netins-webmail-security-server-portal.weebly.com/>

To verify your email account.

Failure will result in the termination / closure of your e-mail ID. = Lose all your important files.

This action has been taken to protect your account against unauthorized = access.

Appreciate your understanding and support to secure your account.

Thank you,  
Email Manager
