

**FOR IMMEDIATE RELEASE!**

**September 15, 2014**

Grand River Mutual Telephone Corporation, d/b/a/ GRM Networks, has been informed that some of our customers have been contacted by companies from outside our serving area claiming to offer rewards to complete a short survey. Customers have been notified by pop ups on their computer screen. These companies offer rewards such as money or electronics. These surveys are not sponsored by GRM Networks, and the companies conducting these surveys might be attempting to gain access to your computer or personal information. If you have questions or concerns about your computer protection, please call GRM Networks Technical support at 1-800-721-2577. GRM Networks is an equal opportunity provider and employer.
